FOR IMMEDIATE PUBLICATION.

OBITUARY

Professor James Murray Honeyman, Chairman of the Department of Biology of Sir George Williams University, died suddenly on Friday, June 25th.

Professor Honeyman had been a member of the full-time staff in Biology since 1947 and had been largely responsible for the steady growth, in terms of the courses offered and programmes available, of this department particularly since he assumed the Chairmanship of the Department. He was a well known botanist and he specialized in the classification of plants.

Professor Honeyman was a very conscientious teacher. He devoted his life to his students and he was greatly respected by them.

From the Office of: Trefflé Lacombe,
Assistant to the Principal.
